ACT/015/018-A & B
Emery County, Utah

Dear Mr. Heward:

Please find enclosed a copy of a letter dated March 23, 1981, from the Manti-LaSal National Forest to the Office of Surface Mining regarding Utah Power & Light Company's subsidence and hydrologic monitoring plans for the Deer Creek and Wilberg mines.

The Division has scheduled the Apparent Completeness Reviews (ACR's) for Utah Power & Light Company's permanent program mine permit applications during the month of August and will consider the Forest Service's comments at that time.

If you have any questions, please call.

Sincerely,
