Denver, Colorado 80202

Re: Deer Creek Permit Application

Dear Mr. Hamm:

Enclosed are four sheets of calculations showing that the emergency spillway of the Deer Creek sediment pond has adequate capacity to safely pass the 25-year 24-hour storm. These are submitted in response to your request dated August 17, 1984 and should be inserted in Appendix VII of the permit application.

Yours truly,

C E Shingleton
