RE: Updated Mine Sequence Changes (BLM Approval Dated 8/24/87), Utah Power and Light Company, Deer Creek Mine ACT/015/018, and Cottonwood Mine ACT/015/019, Folder #2, Emery County, Utah

The proposal (and BLM approval) for the two mine sequence changes are very minor. The two updates are clearly identified in the proposal and will be noted as such in the files.

These two minor changes would not have an impact on any monitoring for these areas.
