Dear Mr. Smith:

Re: Amendment to Address Deficiencies in County Road Submittal (NOV N89-20-1-1), Utah Power and Light Company, Deer Creek Mine, ACT/015/018-89H, Folder #2, Emery County, Utah

I respectfully request an extension of the abatement deadline for the above referenced NOV. Please extend the deadline for thirty (30) days from December 1, 1989 to December 31, 1989.

The additional extension is needed to collect and compile information from the project engineer (Jones and DeMille) and the Emery County Road Dept.

Seven (7) copies of the information, sufficient to address the deficiencies, will be submitted to the Division prior to the requested deadline.

Sincerely,

Val Payne
