Dear Mr. Smith:

Re: **Amendment to Construct Two Sediment Traps and Small Compressor Building, Utah Power and Light Company, Deer Creek Mine, ACT/015/018-89G, Folder #2, Emery County, Utah**

Enclosed please find seven (7) copies of information requested by you in your letter, dated October 23, 1989, to Mr. David Smaldone. The materials should be used to update the approved Deer Creek Mine Permit Application Package as follows:

Replace page 9 with revised page 9 (11/3/89)

Replace Map 3-9 with updated and certified Drawing DS-202E

Add certified Drawing DS1159C to map packet 3-9.

The material should adequately address your concerns in this matter. If you have questions please call Val Payne at 687-9821.

Sincerely,

Val Payne
