RE: Copy of USGS Apparent
Completeness Review Comments

Dear Mr. Whiteside:

In searching for the "original" copy of the USGS comments, I observed a likeness of the copy you received and apologize for having it sent to you. However, the original is not much better and reproduction would not be an improvement. Therefore, in a conversation with Jackson Moffitt this morning, I secured his word that he would send you a more clearly readable copy. If you do not receive one, please contact his office. Thank you.

Additionally, future comments on the mine plan review may be addressed to myself as Mr. Spencer has stepped out of the lime-light.

Sincerely,
