Re: **SUBMITTAL OF U.P.D.E.S. PERMITS UT-0023604 (DEER CREEK MINE), UT-0023591 (DES-BEE-DOVE) AND UT-0022896 (COTTONWOOD MINE)**

Dear Ms. Littig:

Transmitted herewith are twelve (12) copies each of the subject U.P.D.E.S. permits relative to our mines in Emery County, Utah.

These U.P.D.E.S. permits are to be inserted in between the tables and maps of Volume 9 (Hydrologic section) of the PAPs.

In addition to the above, transmitted herein are twelve (12) each new front cover and spine inserts for Volumes 8 (Geology) and 9 (Hydrology). The new cover and spine inserts reflect the change of "PacifiCorp Electric Operations" replacing those reading "dba Utah Power & Light Company".

Please remove the latter and insert the new cover and spine inserts. Both Volumes 8 and 9 are applicable to all three mines.

Should you have any questions, please feel free to call me at 220-4612.

Sincerely,

Scott M. Child
