Re: Information Regarding Protest to Water Rights by Mr. Peacock, Trail Mountain Mine, ACT/015/009, Deer Creek Mine, ACT/015/018, PacifiCorp, Folder #2, Emery County, Utah

I spoke with Mr. Bill Warmack, Water Rights in Price, on March 31, 1993, about the copy of the protest letter I had received from Mr. Peacock regarding the 17.6 acre-feet of water for the Trail Mountain Mine. He stated that the water in question is being transferred from Mountain Coal Company to PacifiCorp for the Trail Mountain Mine but there is no change in the use, the source, or in the amount of water. Whenever there is a change in the water right it must be advertised, including a transfer of ownership.
