Dear Mr. Payne:

The above-noted amendment is approved with the following conditions:

1) Within 30 days of completion of the construction of the belt takeup structure, PacifiCorp must submit revised maps for insertion into the Deer Creek Mining and Reclamation plan, which depict the as-built configuration of the takeup structure.

2) Within 30 days of approval, PacifiCorp must revise the text of the reclamation cost estimate to include the additional cost of reclamation as a result of this amendment.

Please submit 12 copies of the map and text for transmittal to other agencies. If you have any questions, please call me.

Sincerely,

Pamela Grubaugh-Littig
