Re: Alteration in Discharge
NPDES Permit No. UT-0022985

Dear Mr. Whiteside:

We have received your letter dated 20 August, 1986 concerning modification of the discharge facilities as referenced above. In order to complete our review, we request you provide us with the following additional information:

1. Details of the underground sump at the point of collection for discharge through the six inch pipeline.

We will complete our review upon receipt of the information requested. If you have any questions, please contact David Ariotti at 637-3671.

Sincerely,

David R. Ariotti, P.E.
Southeast District Engineer
Division of Environmental Health
