In the matter of the Utah Power and Light Co's Wilberg mine in Emery County, Utah:
No. ACT-015-018

I, Montell Seely, do hereby protest the approval ~~of~~ given to U P&L co. to mine the coal out from under my land until the power company has posted a bond with a court of competant jurisdiction to cover the damages that will inevitably result when the coal is removed.

It is certain from passed mining operations in this and other areas that subsidence will occur and some if not all of the surface springs will be dried up.
