Re: N.P.D.E.S. Discharge Permit  
No. UT-0022985  
November, 1986

Dear Mr. Frenette:

Please find enclosed one (1) copy of the "Discharge Monitoring Reports" for point sources 004A and 005A, for November, 1986.

Because of previous pond cleaning operations at source 004A, the pond has not yet reached capacity and therefore no discharge has occurred from this point.

No discharge occurred from any other permitted source during the report period.

Please contact me if you have questions concerning the enclosed.

Sincerely,

*for* T. G. Whiteside  
Chief Engineer
