Inspection Memo
to Coal File:

RE: Wilberg Mine
Utah Power and Light Co.
ACT/015/018-B
Emery County, Utah

On June 4, 1980 the above mentioned operation was visited by Joe Helfrich, and Mary Kay Stein from the Division and Lary Damrau and Dan Martinez from the Office of Surface Mining. They were accompanied by John Niebergal and Elise Yakopzack from the U,S. Forest Service along with Don Dewey, Ralph Jerman, Chris Shingleton, Lary Guymon and Karl Gurr with Utah Power and Light Company.

The meeting was to discuss the problem of waste material from the installation of the elevator shaft which was dumped between the stream bed and haul road. A new plan will be submitted on stabilizing the waste piles or moving them to alternate areas. Two such areas where observed at the Church Mine area .

A field inspection was conducted and Lary Damrau of OSM terminated the following violations: (see memo Utah Power and Light dated April 28, 1980) Violation # 1, Rule MC 717.11; violation #3, Rule MC 717.17 (a) and violation #4 Rule MC 717.17(c).

No violations were issued.
