Dear Mr. Tanner:

Re: Conditional Approval, MRP Amendment, Request to Construct Wash Bay and Substation Retaining Wall, Valley Camp of Utah Inc., Belina Complex, ACT/007/001-86, Folder #4, Carbon County, Utah

The Division has completed its review of Valley Camp of Utah's October 21, 1986 submittal concerning the above referenced MRP Amendment. The proposed plans are acceptable and approval is hereby granted to proceed with implementation.

As a condition to this approval, please provide 12 copies of the approved plans by December 1, 1986. All information must be formatted and referenced by volume and page in a manner that allows direct insertion into the approved Belina MRP currently on file with the Division.

Thank you for your cooperation in this permitting matter. Should you have any questions or require additional information, please contact us at your earliest convenience.

Sincerely,
