Dear Mr. Braxton:

Enclosed are three copies of Valley Camp's responses to your letter of March 3, 1987. We realize that there are deficiencies in these responses. We respectfully request that the Division will recognize the extenuating circumstances caused by our recent personnel change and allow us to correct any deficiencies you may find.

Valley Camp commits to revise the MRP into a clear and concise document which is in compliance with the Division's guidelines. Please recognize that this goal will require some time to accomplish, but we pledge, in good faith, that it will be accomplished as soon as practicable. We solicit your help and cooperation in this effort.

Very truly yours,

Barry Barnum
