Dear Mr. Braxton:

It was a pleasure to meet you Friday. We certainly appreciate your help in our efforts to upgrade the mine permit.

During miners vacation (June 29 - July 10) we are having a contractor apply a 2" layer of asphalt over the existing mine road. This has become necessary to maintain the integrity of the haul road. We do not anticipate that any of the areas or structures other than the asphalt pavement will be disturbed or changed.

If there are any questions, please call.

Very truly yours,

Barry Barnum
