Re: CORRECTION - Approved Modification to the Resource Recovery and Protection Plan (R2P2), Continuous Miner Pillar Panels, Castle Valley No. 3 and No. 4 Mines

Dear Mr. Heaps:

The Bureau of Land Management (BLM) approved on January 7, 2011, the Resource Recovery and Protection Plan (R2P2) modification request from Castle Valley Mining, LLC for the subject mines. The proposed modification correctly referenced Logical Mining Unit (LMU) UTU-73342. However, there is a drafting error on the reference maps provided with the R2P2 approval that incorrectly included the area described as: T. 16 S., R. 8 E., Section 8: NW1/4, W1/2NE1/4.

The area described as: T. 16 S., R. 8 E., Section 8: NW1/4, W1/2NE1/4; is not part of LMU UTU-73342.

If you have any questions, please contact Jeff McKenzie of my staff at (801) 539-4038.

Sincerely,

Roger L Bankert
