Dear ~~Mr. Hagen~~ Bob:

RE: Ten-Day Notice #85-02-113-05, Genwal Coal Company, ACT/015/032, Folder #7, Emery County, Utah

In response to the above mentioned Ten Day Notice (TDN [received April 30, 1985]) the Division of Oil, Gas and Mining (DOGM) provides the following:

On May 8, 1985, David Lof visited Genwal Coal Company's office located in Huntington, Utah to verify the availability of records as referenced in the TDN. The as built pond certification and surface blasting reports were available for review, thus no violation is warranted.

Should you have any questions regarding this response to TDN X85-02-113-05 please, contact Joe Helfrich, David Lof or myself.

Best regards,

Dianne
