FROM: Susan C. Linner, Reclamation Biologist/Permit Supervisor  
RE: Review of Valley Camp Mid-Permit Term Stipulation Response,  
ACT/007/001, Carbon County, Utah

Summary

Valley Camp's October 30, 1987 response to the Mid-Permit Term Review stipulations was reviewed. The response was found adequate to meet the requirements of Stipulation UMC 788.14-(1)-SCL and to conditionally meet the requirements of UMC 771.23-(1)-SCL.

Stipulation Response Review:  
UMC 771.23-(1)-SCL

The operator has supplied fourteen (14) copies of updated materials for the Mining and Reclamation Plan (MRP). This meets the requirement of the stipulation, provided no other reviewers find major omissions of previously approved material.

UMC 788.14-(1)-SCL

The operator has committed to submittal of an updated MRP by November 1, 1988. This meets the requirements of the stipulation.
