Subject: Coal Hollow mine special use permit and road reconstruction
To: Kirk Nichols <knicholes@altoncoal.com>
Cc: mfoley@blm.gov

Hello Kirk,

I have attached a google earth image of the southern end of the Coal Hollow mine where the new road to Dame's is being graveled. In the process, BLM route 117 is being used for truck traffic. Would you please coordinate the use of BLM 117 with Mark Foley and get a special use permit if necessary?

Thanks,

Priscilla Burton, MS, CPSSc
