Conducted a Ten-Day Notice follow-up inspection concerning TDN 87-2-6-15, violations # 7 & 8. I began the inspection by meeting with Mr. Lowell Braxton of the Utah/DOGGM on 6/21/88. We reviewed the OSMRE/AFD letter of 6/10/88 which outlined the current outstanding inappropriate TDN responses, and the DOGM letter of 6/20/88 responding to our 6/10 letter. This 6/20 response letter was received in the AFD on 6/24. I indicated to Mr. Braxton I would be issuing a Notice of Violation to Valley Camp for failure to provide the RPE certifications requested by the Ten-Day Notice (Class 1 roads & sed. ponds).

On 6/23 I met with Mr. Barry Barnum, sales manager, at the Belina Complex office. I presented my credentials to Mr. Barnum and explained the nature of my follow-up inspection including my meeting at DOGM noted above. Mr. Barnum indicated he was not aware of the July 15, 1988 deadline for certification approval which was established in the DOGM 6/20 response to the OSMRE/AFD. Further, Mr. Barnum felt the OSMRE Notice of Violation issuance was unwarranted as Valley Camp has been making a diligent effort since the TDN issuance to provide the certifications required.

Mr. Barnum accepted service of NOV 88-2-116-2 and I served an individual civil penalty notice to Mr. Walter Wright. Any requests for extension of the abatement deadline must be made in writing to the OSMRE/AFD before the deadline
