RE: Meeting with SUFCO
ACT/041/002

Dear Steve:

The Division of Oil, Gas, and Mining would like to invite you to take part in a meeting with representatives of Southern Utah Fuel Company on April 9, 1979, starting about 1:00 p.m. at Division headquarters. I believe that Mike Thompson of the Division staff delivered plans and talked to you about this.

The Division of Water Rights, Oil, Gas, and Mining, and your Branch of Water Pollution Control, the Office of Surface Mining, and SUFCO will be getting together to discuss the Waste Disposal and Drainage/Erosion Control Plan submitted to the Division of Oil, Gas, and Mining on February 6, 1979. We would appreciate your comments on this plan.

We look forward to seeing you there.

Sincerely,

Thomas J. Suchoski
