RE: Public Hearing, Mining within 100 feet of a public road, SUFCO, Waste Rock Disposal Site, Convulsion Canyon Mine, ACT/041/002, Folder #2, 3, Sevier County, Utah

Due to the fact that mining activities are proposed within 100 feet of a public road at the Convulsion Canyon Mine Waste Rock Disposal Site, notice of a public hearing was given as required by UMC 761.12(d). Notice was published in the Salina Sun and Richfield Reaper on April 27, 1988 that a public hearing would be held on May 26, 1988 if a written request for such a hearing was received by the Division on or before May 12, 1988.

On May 16, 1988 Marjie Anderson, Division Administrative Assistant, informed me that no written requests had been received. Therefore, the hearing was cancelled.
