Dear Mr. Western:

As you are aware from our telephone conversations on May 16, 1995 and June 5, 1995, SUFCO is not in agreement with the reclamation bond amount calculated by the Division. SUFCO also has questions on what is needed for the approximate original contour requirement deficiency in the Mid-Term Review. Both of these items were planned to be discussed this week at the SUFCO Mine. Because of scheduling conflicts that precludes this discussion please grant SUFCO a 30-day extension to responded to the Mid-Term Review Deficiencies. This will allow us to meet at SUFCO on June 13, 1995 and go over these two issues.

Sincerely,
SOUTHERN UTAH FUEL COMPANY
