Re: Subsidence of Stock Ponds, Canyon Fuel Company, LLC, SUFCO Mine, ACT/041/002, Folder #2, Sevier County, Utah

Dear Mr Fullmer:

The Division is in receipt of your June 11, 1999 letter, wherein you requested permit action at the SUFCO Mine to ensure coordination between our agencies regarding water replacement/mitigation. We are aware of your concern and hope to be able to come to a speedy and mutually acceptable solution to this issue. We are currently investigating the situation and are scheduling discussions and field visits with the Mine. After we have had an opportunity to assess the situation we will contact you regarding any replacement/mitigation options.

If you have any questions or would like to provide additional information, please call.

Sincerely,

Daron R. Haddock
Permit Supervisor
