Re: Violation No. N88-28-9-1

Dear Mr. Summers:

Pursuant to the above referenced violation, please find the additional water analyses I referred to in my previous letter. As before, none of these samples appear to exceed the Daily Maximum Limitation of 70 mg/l. These samples conclude the required remedial action requested by Daron Haddock.

If you have any questions or comments, please feel free to contact me.

Sincerely,

Kit Pappas
