Subject: Conditional Approval of Sediment Overflow Pond As-Built, Sufco Mine, Canyon Fuel Company, LLC, C/041/0002, Task ID #4450

Dear Mr. May:

The above-referenced amendment is approved conditioned upon receipt of 2 clean copies prepared for incorporation. Please submit these copies by January 16, 2014. Please note, there are 2 copies of the Soils Analysis Report Data Sheets in the submittal, a set following the Appendix 2-2 cover page and a set included in Appendix B of the Soil Survey Report. Upon submittal of the clean copies, please delete the set (14 pages) following the Appendix 2-2 page. If you have questions, please call Priscilla Burton at (435) 613-3733. Once we receive these copies, final approval will be granted.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

If you have any questions, please call me at (801) 538-5325 or James Owen at (801) 538- 5306.

Sincerely,

Daron R. Haddock
Coal Program Manager
