Coal Exploration License Bonds Period of Liability Terminated

On December 4, 2012, a coal exploration license bond for Federal coal exploration license UTU-88878, and on July 12, 2013, a coal exploration license bond for Federal coal exploration license UTU-89454, with Ark Land Company, as principal, and Argonaut Insurance Company, as surety, were accepted by this office. Replacement bonds, in the same amount, were filed in this office by Canyon Fuel Company, LLC, on August 16, 2013, and accepted by this office on September 17, 2013. On December 18, 2013, a request was made to terminate the period of liability of these following listed bonds covering these Federal coal exploration licenses:

Coal Exploration License Serial Number	Surety Bond Number	Bond Amount
UTU-88878	SUR0017656	$5,000
UTU-89454	SUR0022647	$5,000

The Bureau of Land Management (BLM) Price Field Office by a memorandum dated January 27, 2014, determined that the coal exploration license bonds accepted on January 16, 2014, adequately covers the bond liabilities on these exploration licenses. Therefore, the period of liability of the above noted bonds may be terminated effective the date of receipt of the replacement bonds, August 16, 2013.
