Dear Mr. Higgins:

Re: Assessment Conference for State Violations No. C85-1-1-1 and No. C85-1-2-1, INA/043/001, Folder No. 8, Summit County, Utah

As per your requests of August 22 and October 10, 1985 via Hugh C. Garner & Associates, please be advised that Monday, December 2, 1985 at 1:30 p.m. has been established for the informal assessment conference on the referenced violations.

The 60-day time limit for scheduling the conference on State Violation No. C85-1-1-1 from the date of the proposed assessment (August 20, 1985) has been waived as a result of your September 20, 1985 request, via John Davis of Hugh C. Garner & Associates, to reschedule the September 30, 1985 conference that had been originally established for this violation.

The above-cited assessment conference will be held in the office of the Division of Oil, Gas and Mining at the address listed above.

Sincerely,

Dianne R. Nielson
