ACT/043/008; #2
Summit County, Utah

Dear Sue:

Pursuant to our phone discussion of this date, Summit Coal Co. is herein requesting an extension of time for the response to the comments on the Waste Rock Disposal Area from May 1, 1988 to June 15, 1988. This extension of time will allow for a closer evaluation of alternate disposal methods, as well as a more detailed engineering evaluation of the proposed site.

I appreciate your assistance in obtaining this extension. If you need any further information, please contact me or Jack Blonquist.

Respectfully,

Dan
