Dear Mr. Tanner:

Re: Amendments, Small Area Exemptions and Sediment Pond
Certifications, Valley Camp of Utah, Inc., Belina Complex,
ACT/007/001-88(D) and (E), Folder #2, Carbon County, Utah

The Division has reviewed your request for additional time to respond to the requirements for approval of the above-mentioned amendments, received December 27, 1988. It is our understanding that the necessary information will be included in the Chapter 7 update, to be submitted to you by Hansen, Allen and Luce the week of January 16, 1989. Therefore, an extension for submittal of the required information will be given until February 3, 1989.

No further extensions will be given due to the fact that the requirement for submittal of certifications was made more than a year ago. Please contact me if I can provide any further assistance.

Sincerely,

Susan C. Linner
Reclamation Biologist/
Permit Supervisor
