Memo to File

RE: Cleghorn and Washburn
Mining Company
Little Joe Firefly Mine
San Juan County, Utah
ACT/037/030 ACT/037/002

Shortly after I arrived at the mine site, members of the Idaho Mining Company arrived at the site and informed Mr. Suchoski that Mr. Cleghorn and Mr. Washburn no longer operated the operation and that they were leasing a site from one Mr. Nick Kranjack, available for comment at phone # 564-3300.

Mr. Kranjac needs to be contacted in regard to that which is sanctually occuring at the site and with the history of the ownership of the operation.
