Hi Aly,

We received your re-written large mine Notice on June 1, 2015, as required. We also received (and are reviewing) your "stand-alone" Copper Ranch Mini Pit amendment to your approved Notice, which will later need to be incorporated into the re-written site-wide Notice document.

We have not reviewed the re-written Notice, and plan to wait until the Copper Ranch Mini Pit amendment has been incorporated into the re-written Notice.

This email is to let you know the current status of the re-written Notice review. We will also be sending a letter response. Please let anyone else at CS Mining know as needed. Thanks.

Peter
