Dear Mr. Wright:

Re: Five-Year Permit Renewal, Valley Camp of Utah, Inc., Belina Complex, ACT/007/001, Folder #3, Carbon County, Utah

In our meeting of October 18, 1989, we agreed to issue a short-term permit for the Belina Complex, conditioned upon the schedule for submission of information necessary to address deficiencies. The schedule set forth in the Division's letter of October 31, 1989 required submittal of complete baseline and operation plan text and maps. This letter is to acknowledge receipt of the aforementioned package (three sets) on December 18, 1989. The December 18, 1989 deadline was approved by Sue Linner via telephone on December 15, 1989.

Valley Camp is to be complimented on the initial quality of the submittal package and the Division thanks you and your staff for your efforts on this repermitting action.

Best Regards,

Lowell P. Braxton
