Subject: Transmittal of Cultural Resources Report, Byron Muir, Vicksburg Pilot Plant, S/001/0079, Case Number 12-2220, Beaver County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining (Division) previously wrote asking for comments about a proposal to disturb an area within Section 21, Township 28 South, Range 11 West, Beaver County, Utah. Your response indicated the Division had failed to include a copy of the cultural resources report which will be included with this letter together with a map provided by the operator showing the area that would be disturbed.

As suggested in your response letter dated January 3, 2013, the Division requests a meeting to discuss potential impacts of this mining operation. I will attempt to contact you to arrange this meeting, but you may also call me at 801-538-5261 or send a possible time and date by e mail to paulbaker@utah.gov.

Thank you for your assistance.

Sincerely,

Paul B. Baker
Minerals Program Manager
