PRO/003/007

Dear Ms. Littig:

In response to your request for a 1985 Annual Report, please be advised that a mining and reclamation permit has not yet been issued, and therefore no site work has been done. The final permit revision will be submitted soon, so hopefully work can commence this year.

Please don't hesitate to call should you require further information.

Sincerely,

John R. Danio
Mining Engineer
