Mr. Steve Tanner
Valley Camp Coal of Utah, Inc.
Scofield Route
Helper, Utah 84526

Dear Mr. Tanner:

Enclosed are water quality data tabulations for all water quality samples collected to date for Valley Camp's Belina Mine and VALCAM Loadout Facility

During May a water quality sample was collected at each of the seven surface water monitoring sites. Snow cover prohibited access to five of the seven ground water monitoring springs. The water quality data is complete through May.

As requested, a copy of this data is being sent to Darren Haddock at the Utah State Division of Oil, Gas and Mining.

Sincerely,

Jerry V. Hansen
