Lon:

The Division has tried to contact you via phone with no success.

We have reviewed the survey you submitted for the Rosebud Quarry (M/003/026). As we stated earlier, after we had an opportunity to review the survey we could sit down with you to discuss options to avoid the Division issuing a Non-Compliance. If you still desire to have a meeting, please contact myself or Wayne Hedberg (at 538-5286) to set up a meeting by next Monday, July 19, 1999. If we do not hear from you by 10:00 am Monday July 19th, we will assume the meeting is not necessary. The Division will then inform you via mail as to what will need to be done, along with time frames, in order for you to not be issued a Non-Compliance for the Rosebud quarry.

Sincerely,

Lynn Kunzler, Senior Reclamation Specialist
