Subject: Notice of File Closure for Small Mining Project, Terra Resources, LLC, Pine Springs/Clarks Basin Project, S/003/053, Box Elder County, Utah

Dear Mr. Sagers:

This letter is to notify you that the Division file, S/003/053, for the Pine Springs/Clarks Basin small mining project, located in Box Elder County, Utah, will now be closed.

A site inspection performed August 31, 2004, revealed the site is satisfactorily reclaimed and can now be released. The vegetation, although somewhat shorter than the surrounding area, meets the 70% reclamation standard. No further reclamation is required at this site.

You are hereby released by the Division from further mining or reclamation responsibilities at this site. You are not required to pay the $150.00 permit fee as recently requested. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(s), pay the Division permit fee, post adequate surety, and receive written approval(s), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5310. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Lynn Kunzler
Senior Reclamation Biologist
