Please change your file. I+P has NOT been at the address in your letter for over 1 year. Personnel at that address have been informed NOT to sign for I+P or myself!!!

I spoke with Steve Flock this spring and was able to have the bond reduced. All paperwork I received came to the current address.

My lease holder had gone out of business and I did the reclamation, without you attacking my bond. Had I been contacted about this you would Not have spent $514.99. Do not attack my bond.

I know my phone number is in the file because I have received calls from your office. Please feel free to use it for any and all matters we have remaining.
