Subject: Notice of File Closure for Small Mining Project, Sawtooth Stone Supply Company, Sawtooth Stone #3, S/003/068, Box Elder County, Utah

Dear Mr. Mitchell:

On July 26, 2005, you withdrew the small mine permit application for the Green Beetle Quarry (Sawtooth Stone #3) because you were unable to obtain the permit from the BLM. Lynn Kunzler, Division staff, inspected the site on August 17, 2005 and verified there was no disturbance. The Division will close the Sawtooth Stone #3 permit application in the NW1/4 SE1/4 SE1/4 and SW1/4 NE1/4 SE1/4 of Section 36, Township 11 North, Range 16 West, Box Elder County, Utah and retire the file.

You also requested all original documents associated with this application be returned to you. We are unable to return original documents, because they become public records once recieved. We can send copies of any documents we have if you want to request those through the Government Records Access Management Act (GRAMA).

You are not required to pay the $150.00 permit fee as recently requested. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(s), pay the Division permit fee, submit adequate surety, and receive written approval(s), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Lynn Kunzler at 538-5310.

Sincerely,

Susan M White
