RE: Weston Hansen's Mining Plan on Private Land

Dear Paul Baker,

Jack Wood and I went to Weston Hansen's mining claim on Friday, June 10, 2005. The maps enclosed are the Trimble GPS reading we took from the first flagged tree on the two-track road to the second flag directly west and on the hill. The second flag is 80 meters into public land. We need to move it to the north. Please contact me at 435-636-3661 before you send him any maps.

Sincerely,

Angela Wadman
