Re: Request for Additional Information, Georgia Pacific Corporation, Hebe Gypsum Mine, M/015/072, Emery County, Utah

Dear Mr. Harms:

On February 5, 2001, we received an amendment from Georgia Pacific Corporation requesting an expansion of the operation to a previously undisturbed area, labeled C-3 which encompasses 3.5 acres. On March 6, 2001, we sent you a letter (copy attached) requesting further clarification for this amendment. To date, we have not received a reply from Georgia Pacific regarding this latest request, and we are desirous to complete this portion of the permitting process.

Please provide a response within the next 30 days from the date of this letter or no later than November 12, 2001. If you are unable to provide this information in this time frame, please contact the Division with justification for requesting additional time. If you have any questions concerning this letter, please contact me at (801) 538-5261.

Sincerely,

Paul Baker
Senior Reclamation Specialist
