Dear Mr. Tanner:

Re: Mine Permit Renewal Schedule

This letter is to follow up on the schedule discussed in our May 15, 1990 meeting held at the Division's Salt Lake City office. In attendance were:

Steve Tanner	Valley Camp
Dave Hansen	Hansen, Allen & Luce
Ed Sanderson	Sand Designs & Graphics
Lowell Braxton	Division of Oil, Gas and Mining
Randy Harden	Division of Oil, Gas and Mining
Daron Haddock	Division of Oil, Gas and Mining

As discussed, the Division agreed to extend your short term permit, which expires on May 24, 1990, to July 5, 1990. At this time, if all completeness issues are adequately addressed, the Division will issue a new permit with an expiration date of August 24, 1994. MRP deficiencies will be attached to the permit as stipulations.

You committed to submit new maps and a water monitoring plan by June 14, 1990, to allow the Division time to review them and write a technical analysis before issuing the permit.

If you have any questions, please feel free to call me.

Sincerely,

Daron R. Haddock
Permit Supervisor
