Division of Oil, Gas and Mining

Dec. 28-2011

RECEIVED
JAN 05 2012
DIV. OF OIL, GAS & MINING

Dear Sir

This Letter is in answer to your letter Dated Dec. 13 2011

The Notice of Violation (NOV), MN.-2011-42-01 is Easy to Explain the Trash and Debris that are Their are on Dansie and Dansie INC. are Nephi Sandstone Property and I have Requested this property be Removed From The Mine plan. see Application of Site and Bond Release and Map.

on Nephi Gypsum property Their was a old Tire and a pice of Plastic Pipe These have been Removed. The plastic in the Berm is been used to Stableized the berm where it had been washed out in the Spring of 2011 and it is working very well and will Remain in place.

The Revised Security Bond should Be redone using the 7 acres That is Left To Reclaim. Their Would be No Mobilization of Equipment Because Their are Contractors in Nephi That have Reclaimed Mines in The Past.

#1

Dec. 28, 2011

The Contractors are

Joe White and Sons, Nephi Sandstone, Sun Rock mining Co, Burningham Enterprises and Mining Co, and Others

The price per acre as we Remove the Gypsum from Stockpiles will allso less to Reclaim.

The $36,000 Bond allredy in place should Be sufficent to Reclaim the 7 Acres.

Robert L Steele
