Suject: Rancho Equip Service. Mine Status, M/023/022, Juab Co,

The permit review is entirely in our court now. I have the plan. our last letter to Ronald Day of Rancho, explained that we were still working on the review and that we were awaiting a copy of the BLM EA, which we now have.

Tony has started the review draft letter to the operator. I will ~~attempt to~~ attempt to work on it this week, then to Wayne.
