Dear Mr. Tanner:

Re: Denial of Mine Change Amendment, Valley Camp of Utah, Belina Mine,
ACT/007/001-91A, Folder #3, Carbon County, Utah

Your submittal regarding a mine plan change was received at the Division offices on December 12, 1991. On March 13, 1992, the Division sent you a list of deficiencies which would need to be corrected. Those deficiencies have now been rolled into the mid term review which you are required to respond to by December 4, 1992. In order for us to keep our records clear we are hereby denying your original amendment submittal. We will conduct further review of your mining changes upon receipt of your response to the mid-term review.

Please bear in mind the requirement to send appropriate numbers of copies of your plan. Please call if you have any questions.

Sincerely,

Daron R. Haddock
Permit Supervisor
