Dear Mr. Rowley:

Re: Notice of Intention to Commence Small Mining Operations, Desert Mountain Gold Project, S/023/033, Juab County, Utah

On January 15, 1993, we received a Small Mining Operation Notice of Intent for Robert Steele's Desert Mountain Gold project. The proposed small mining project is located on BLM managed land in Section 5, T12S, R6W, SLBM, Juab County, Utah. Your agency's designated project number is U-070636.

Your January 15th letter indicated that you have combined the operator's previous exploration notices into the new case file. We will also now combine our previous exploration file #E/023/080 into file #S/023/033.

The notice satisfies the notice requirements of Rule R647-3 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, et seq., Utah Code Annotated. No further information is needed at this time. Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files. Please reference our designated file number S/023/033 when forwarding additional information on this project to us.

Sincerely,

D. Wayne Hedberg
