Subject: Notice of File Closure and Release of Reclamation Surety, William Chirnside, Milehigh #1 Mine, S/023/060, Juab County, Utah

Dear Mr. Chirnside:

The referenced Notice of Intention to Conduct Exploration located in Juab County, Utah, will now be closed and the files retired. The site was inspected on August 10, 2011, and it was determined that reclamation has been satisfactorily completed.

Please find enclosed a check for $1,525.71, which represents your original type of surety plus interest. The Division is returning your original reclamation contract for your disposal or records.

You are hereby released by the Division of Oil, Gas and Mining from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice of Intention to the Division and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Wayne Western at (801) 538-5263. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
