Dear Tom,

Reclamation on the Cherie #3 Claim (UTU-070646) was completed on May 4, 2007. Reclamation included filling in of three trenches and re-contouring with an excavator and re-seeding. Seed mixture of intermediate wheat grass and crested wheat grass. Reclamation has been completed on all three of the claims - Cherie #3, Cactus #1 and Serendipity #6.

Please find enclosed "before" and "after" pictures of the three trench areas on the Cherie # 3 Claim.

Sincerely,

Larry E. Lehto
